The Honorable Eric H. Holder, Jr.
Attorney General
U.S. Department of Justice
950 Pennsylvania Avenue, NW
Washington, DC 20530-0001

Dear Mr. Attorney General:

On May 15, 2013, you appeared at a hearing before the House Committee on the Judiciary. During my questioning, I asked you a series of questions regarding the Federal Bureau of Investigation (FBI) investigation into former Central Intelligence Agency (CIA) Director General David Petraeus. You assured me you would follow up and provide answers, but as of today I have received no such answers. I would appreciate answers to all of the questions asked.

I am keenly interested in two particular questions asked at the hearing. I have listed them below, taken from the transcript, and ask for a written answer to all questions from the hearing by March 17, 2014.

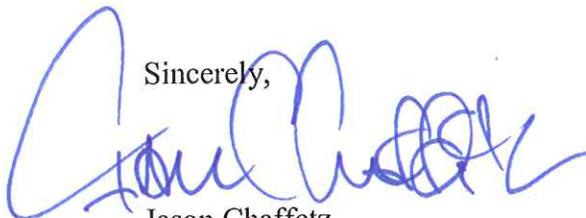

1. "When did you first learn about the investigation into General Petraeus?"
2. "Do you know when General Petraeus was notified, or had any sense that he was under investigation?"

My understanding is that, as of today, the investigation into General Petraeus is still ongoing. Why is this investigation still ongoing? When will the investigation conclude? What are the issues still in question?

I request that you provide me with responses to these questions as soon as possible but by no later than March 17, 2014.

Thank you in advance for your timely response and your commitment to the American people. I appreciate your cooperation and willingness to help keep Washington transparent and accountable.

Sincerely,

Jason Chaffetz
Member of Congress
