

REP. JASON CHAFFETZ

2016 Youth Civic Engagement Award Criteria

Each Spring, Congressman Jason Chaffetz recognizes high school students who engage in their communities and serve as role models of civic participation.

To be eligible for the Youth Community Citizenship Award, the following criteria must be met:

1. **Residency:** The nominee must reside in the Third Congressional District. The student may attend a high school outside the boundaries of the Third District if the student resides in the district. Home school and charter school students who reside in the Third District are also eligible.
2. **Age:** Preference is given to high school juniors, but other high school-age students may also be considered.
3. **Qualifications:** Nominees must demonstrate proactive engagement in civic activities. These might include community events and service, leadership of youth organizations, political activity, etc. Past winners have demonstrated engagement in everything from youth city councils and student organizations to service projects and political campaigns.

The attached nomination form must be completed and returned by **Friday, February 26, 2016** to Congressman Jason Chaffetz' Cottonwood Heights office.
